

What We Do

Accuracy defines Technovate Translations, and we bring the highest level of service to every technical translation we complete. We utilize the services of native speakers of the languages we translate, and we guarantee that every translator meets the most rigorous quality requirements.

Could you trust a regular translator with a highly complicated technical document?

WE CAN TRANSLATE ANY TYPE OF DOCUMENT

Every industry has its own individual language. The technical terminology and industry-specific language used in one field will differ significantly from those used by another. Because of this, Technovate Translations draws on the resources of hundreds of translation experts who have deep knowledge of industries ranging from manufacturing and finance to telecommunications and law so that we can provide our clients with the most accurate translations of any and every technical document.

TECHNICAL TRANSLATIONS AT THE HIGHEST LEVEL

Technovate Translations recognizes that every industry prizes both accuracy and speed when it comes to technical translation. Our team of translation experts specializes in developing superior technical translations that meet any client deadline no matter how fast, with no loss of quality.

Our expert translators can assist you with technical translations in areas such as:

- ✓ Manufacturing translations: aerospace, automotive, clothing design, electronics, and more.
- ✓ Financial translations: accounting, finance, management, regulation, taxation, and more.
- ✓ Legal translations: bankruptcy, criminal law, corporate law, divorce, taxation, trademark and patent applications, and more.
- ✓ Telecommunications translations: CAD/CAM, diagrams and manuals, ISO 9000 / QS 9000 manuals, technical documents, websites, and more.

GET STARTED TODAY

When you contact us for a translation service, we will assign your project to an experienced and knowledgeable native speaker of your target language to ensure an accurate and fluid translation. Before your project is delivered, we employ a second translation expert to review your translation to ensure accuracy. Your project manager will track your project at every step, and you will have 24 hour access to our customer care center online or by phone to answer any questions you may have.
